

Abbotskerswell Primary School Vision Statement on Intent

The over-arching aim of Abbotskerswell Primary School Vision Statement is to ensure that all children leave the school at the end of KS2 with the ability to continue as lifelong participants of physical education (PE).

- Aim 1 – To ensure that all children leave Abbotskerswell with a broad exposure to different sports which in turn will contribute to becoming lifelong participants of PE.
- Aim 2 – To increase the participation/ engagement levels of all children within the school.
- Aim 3 – To increase the skills and knowledge of staff through CPD.
- Aim 4 – To ensure there is sustainable impact from the expenditure beyond the funding years.

Teachers, governors, pupils and parents work collaboratively to ensure that:

- All children understand the importance of health and fitness and how to implement this lifestyle for themselves.
- Children understand what it means to represent the school, conducting themselves appropriately and taking pride in their performance when playing for one of the school's sport teams.
- Children are supported through PE to develop their physical, social and emotional selves.
- All children are given the opportunity to take part in inter- or intra-school activities, promoting the likelihood of participation into adulthood.
- Children are welcomed into a club environment where everyone is treated equally and fairly, understanding that being a part of a club is more than just simply participating; it is the responsibility and well-being themselves and all others involved.
- The children understand how our school values are attributed to sport within the school and share this good practice amongst us all.
- All children are given the opportunity to lead and be led across curriculum PE and extra-curricular club activities.
- Children develop their skills through carefully designed activities that promote mass practice and discovery learning across the key stages, although more often through game-based learning environments at KS2.
- Children are sign-posted where they can develop their interests in sport outside of what the school can offer.
