

Sports Premium 2019-20

Abbotskerswell Primary School

What is the Sports Premium?

The Government is providing additional funding of £150 million per annum to provide substantial primary school sport funding in order to improve the provision of physical education and sport in primary schools. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to schools to be spent on improving the quality of sport and PE for all their children. All state-maintained schools, academies, middle schools, special schools and pupil referral units which have primary aged pupils will receive the funding.

This funding is ring-fenced and therefore can **only** be spent on provision for PE and sport in schools. We will be accountable for how we have used the additional funding to support pupils progress and participation in PE and school sport. We are required to publish on-line information about how we have used the additional funding, including details about our sporting provision alongside curriculum details. This will ensure that parents/carers and others are made fully aware of the PE and sporting provision at Abbotskerswell School.

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding might include:

- Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- Supporting and engaging the least active children through new or additional clubs and extra-curricular activities
- Paying for professional development opportunities for teachers in PE and sport
- Providing cover to release primary teachers for professional development in PE and sport
- Running sport competitions, or increasing pupils' participation in the School Games
- Buying quality assured professional development modules or materials for PE and sport
- Providing places for pupils on after school sports clubs and holiday clubs
- Pooling the additional funding with that of other local schools

Overview of the school

Number of pupils and Sports Premium received	
Total number of pupils on roll	113
Total amount of SPG received (£)	£16,000 + An additional payment of £10 per pupil. = £17,130

Meeting national curriculum requirements for swimming and water safety	2018-2019 cohort
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	93%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	70%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	45%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

Summary of Sports Premium spending 2019/20

Objectives in spending SPG:

To engage all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school

To raise the profile of PE and sport across the school as a tool for whole school improvement

To improve the skills and confidence in teaching staff in teaching PE.

To raise attainment and enjoyment in PE.

To foster an environment which supports the health and well-being of pupils.

To increase participation rates in sports and physical activity within and beyond the school day and promote positive attitudes to adopting a healthy lifestyle.

To provide opportunities for pupils to participate in competitive sports including inter and intra school festivals.

Summary of spending and actions taken for 2018-2019 academic year:

£13,500 was allocated in the following ways:

Joining the School Sports Partnership with local schools which gave opportunities for inter-school competitions, festivals, CPD and the use of local professional sports people to support higher attainment, increased teacher skills and wider participation.

PE subject leadership time to develop skills of a new teacher.

Allocating additional Teaching Assistant time to an experienced individual to coordinate and lead on playtime activities.

Employing the services of a qualified sports coach to work with teachers in developing Games skills.

Extra-curricular activities.

Additional specific CPD for teachers in Dance

Transport to and from events.

Funding a range of new PE equipment

Gardening and Nature School

Summary of spending and actions taken for 2019-20 academic year:

The school has entered a partnership with Primary Sports (<https://www.primary-sports.co.uk>). This provides the school with access to;

The school has continued its partnership with Newton Abbot Learning Community

A specialist PE teacher who works alongside teaching staff to improve the quality of planning, teaching and assessment of PE.

Participation in a range of competitions and festivals

Training for Year 5 and 6 children as Sports Leaders to encourage and develop active playtimes.

Training for Meal Time assistants in active playtimes.

Subject leader support and access to networking groups.

The sports premium has also been used to;

Provide transports to and from sports competitions.

Improve equipment and storage.

Enhance the swimming programme at Key Stage 2 in addition to the NC requirements

Provide a physical interventions (funfit) for identified pupils.

Increase the number of extra-curricular clubs offered to pupils.

Extra-curricular provision

These run at various times throughout the academic year with an aim that there will be a physical activity that children can participate in at least 4 nights per week thus extending the opportunity for all pupils to participate in at least 3 hours of physical activity per week.

These are subsidised for low income families and well as partly subsidies for all families.

They include;

In addition to this, we have developed an increasing number of school-club links, which give the children from the school access to join these.

Outcomes to date:

Improved staff confidence and skill in planning and teaching PE

An analysis of children's take up of Sport and Physical activity within and beyond the school day shows that all pupils now access 2 hours of quality PE teaching in week.

In addition, 53% of pupils participate in 1 additional hour of physical activity or sport beyond the school day.

20% of pupils participate in 2 hours' sport or physical activity beyond the school day.

92% of Key Stage 2 pupils leaving the school reach the National Expectations in swimming.

All of Key Stage 2 pupils are offered swimming lessons in the summer term.

100% of Key Stage 2 pupils have participated in at least one sporting event, competing against pupils from other school.

100% of Key Stage 1 pupils have participated in at least one sporting event competing against pupils from other school.

Pupils have accessed a range of competitions and events, competing against others schools.

Action for 2019 – 2020

Children to have increased opportunities for Intra and inter school competition.

(Intra school competition to be used as a vehicle to support and enhance whole school house point system. The profile of intra school competition is raised throughout all schools and supports existing whole school house point system)

Improve standards of pupils' skills in gymnastics and invasion games across the school

Continue to improve quality of teaching at both key stages through partnership with experienced and qualified coaches adopting a team teaching approach.

Develop systems for assessment that help improve quality of teaching and learning.

Explore and re-address the Aims and Values of the school from all stakeholders.

Audit of PE resources and equipment and a plan for replacement and improvement provision where needed.

Aim for 100% of pupils to reach National Expectation for swimming at Key Stage 2.

Improve the attainment of pupils in PE at all levels

Increase enjoyment of PE and sport

Improve the health and well-being of pupils across the school

Conduct a health and well-being survey and use outcomes to inform future spend.
